

This is our very special reading scrapbook!

If you have this book it means it is your turn to add a double page about a book you have read that you would recommend to the rest of the class. You can base your review on one of your favourite books from the school library, local library or one you have at home.

Top Tips:

What to include?

- What happened in the story (without giving away the ending!)
- What rating you would give it out of 10 and why

You could also include:

- Information about the author
- The key themes
- Any other books in the series/by the same author

You can use the art materials provided. Use the skills you have learnt in your inquiry journal and the inspiration pictures at the back of the book.

*You will have the book on Friday and need to return it to school on the following Thursday.
Be creative and have fun with your double page!*
