In our inquiry lessons, we have been applying our literacy and ICT skills to write a persuasive advert for a Welsh landmark. We thought carefully about the adjectives that we used as well as the colours and pictures to make our adverts stand out. We have also been finding out about some of the negative effects of tourism on these landmarks, like litter and busy roads, and suggesting ways to overcome these issues.

In our PE lessons, we have continued to develop our confidence with our gymnastics. We have also been practising our folk dancing skills in preparation for our Eisteddfod!

Dosbarth Dwynwen have continued to work hard in all areas of our learning. We have enjoyed having challenges to complete in each of our provision areas and have started to set our own challenges.

In literacy, we have been working hard to express our opinions and write book reviews. We thought carefully about how many stars we would give 'Little Red and the Very Hungry Lion' as well as who we would recommend the story to. Just before the half term break, we started reading 'That's Not A Daffodil.' We designed our own front covers for the story and we planted our own seeds. We have sequenced the steps in preparation for writing our instructions.

In maths, we have been learning about measuring mass. We enjoyed using the balance scales and using our problem solving skills to find items around the classroom which would make the scales balance. We have also been conducting surveys and constructing pictograms to present our findings.

We Learn, We Play, We Care, We Pray.
