OUR AUTUMN TERM INQUIRY 2023

During this inquiry the children will learn all about themselves and their families.

We will explore our wonderings, including:

- Do I look the same as my friends?
- What can my body do?
- What are the names for the different parts of my body?
- Can I use my senses to help me find out about my world?
- How have I changed since I was born?
- Who is in my family?
- Why am I special?
