In Literacy, our Year 3 students enjoyed reading the delightful book *The Bog Baby*. They then put their creativity to work by writing detailed instructions on how to care for this unusual creature. Since returning from the holidays, we've started a new book, *Hike*, and the children are excited to begin crafting their own narrative stories.

In our Jigsaw sessions, we've been focusing on the theme "Healthy Me," learning about healthy foods and ways to stay safe. These practical lessons have been thoroughly enjoyed by the students.

April flew by in the blink of an eye as our Year 3 students enjoyed a well-earned Easter break after working incredibly hard! In Maths, we've been busy mastering the art of telling time using both analogue and digital clocks. Now, we're diving into the world of fractions, where the children are enthusiastically finding fractions of amounts. It's wonderful to see their excitement and progress! 🕒📏

In our RVE lessons, Year 3 students began an exciting exploration of Hinduism, through the theme of Authority and Influence. This journey provided a deep understanding of different cultural perspectives. Following this, we turned our focus to Holy Week, leading up to Easter, a time of reflection and celebration. The children also had a wonderful time participating in a variety of fun daily Lent activities, which added an extra layer of joy and learning to this special period. ✝️

We Learn, We Play, We Care, We Pray.
