CANNA

Croeso i blwg dysgu Dosbarth Dwynwen! We have had a. brilliant start to the new academic year and can't quite believe eight weeks have gone already. Everybody has settled in magnificently to the new mixed class and every day is filled with learning, laughter and love!

In Literacy, we have just finished writing our factfiles all about 'The Weather Monster'. Before that we retold the story about 'Big Bear's Dreaming' and used this to inspire our own retelling of the red dragon. We've also written our own poems based on the lovely book 'The Boundless Sky' where we became birds soaring whooshing through the blue! In Numeracy we have been developing our understanding of place value and learning all about addition - really practising our number bonds! We have even looked at patterns and art through numeracy! What a busy term!

At the start of term, our RVE inquiry was all about Creation. We retold the story creating our own leaflet and making our own tree of life. We looked at how we can thank God and how we can care for God's Creation. We are in the midst of our autumn Expressive Arts inquiry - Our Stories, Our World. We started with the amazing school trip to Fonmon Castle where we listened to an incredible storyteller retelling the story of 'The Red Dragon' - we were all captivated! We have also learnt how to: use ICT in art; oil pastels for self-portraits, how rhthym can tell a story; how music can make us feel; plus lots, lots more! It really has been a busy term!
