

# Learning Blog

D W Y N W E N

January has been a busy and exciting start to the new year in Dosbarth Dwynwen. We've come back refreshed and ready to learn, diving straight into new learning across the curriculum.

In Maths, we have been learning about position and direction, using BeeBots to plan routes and follow instructions carefully. It was lots of fun programming them and debugging our mistakes! We also worked hard on time, learning o'clock, half past, and even telling the time to the nearest 5 minutes.

Our Inquiry learning took us back in time to explore the story of the Wreckers of Dunraven. We discovered the true story of Walter Vaughan and discussed fact versus fiction, thinking carefully about how stories from the past are told.

In Literacy, we joined the whole school in exploring the beautiful story Wangari's Trees of Peace. We learned about courage, determination and caring for our world, and used the story to inspire our own narrative writing. We also enjoyed reading Meerkat Mail and wrote our own creative postcards, imagining we were travelling on exciting adventures just like Sunny the meerkat. To finish the month, we celebrated Santes Dwynwen Day, learning about the saint our class is named after. We enjoyed a special disco and took time to reflect on friendship and kindness — a lovely way to celebrate our class identity.
