YEAR 2 AND YEAR 3

OUR AUTUMN TERM INQUIRY

HUNGRY PLANET: WHAT THE WORLD EATS

Our Central Idea

Our diet is determined by geographical, social and historical factors.

Find out more about our inquiry approach to learning on our web site.
<https://www.wickmarcross.co.uk/about-1>

KEY REMINDERS

Please make sure you have a set of wellingtons in school for our Forest School Sessions.

We can bring fruit and a water bottle to school.

Make sure all our uniform is named.

Our PE day is THURSDAY.

HUNGRY PLANET: OUR WONDERINGS

During this inquiry we will explore the reasons why people around the world have very varied diets.

We will explore our wonderings, including:

- Where does our food come from?
- How does it reach the places it is needed?
- Should we eat what is available locally?
- What are food air miles?
- Does the geography of where we live effect the food we eat?
- Does the history of the area we live make a difference to what we eat?
- How much does it cost to make a meal?
- Does what we can afford make a difference to the meals we plan?
- What is a balanced meal?
- Can we design our own meal and make it for others?
