C A N N A

Croeso i blwg dysgu Dosbarth Cannal! Ym mis Chwefror we have been incredibly lucky to welcome local Welsh artists Rhys Padarn Jones for a very special doodling workshop. It was a fantastic opportunity for us all to learn from a real artist and it was lots of fun! Our Values Day was another highlight this month, where we rotated around a variety of thoughtful activities, carefully prepared by our Values Group.

In Literacy, we have thoroughly enjoyed reading the Cornish legend 'The Mermaid of Zennor.' The story tells of a mysterious woman who captures the attention of Tom Taskis. When Tom suddenly went missing, the villagers began to panic and suspected the mysterious woman to be a mermaid. We stepped into the role of journalists and wrote our own newspaper reports retelling the events of the story. In Maths, we have been building our confidence in telling the time.

We have been wonderfully busy behind the scenes in our inquiry, preparing all of our artwork for our upcoming Sharing of Understanding, where we will be hosting our very own art gallery. We have worked together in groups to create habitat boxes, using mixed and recycled materials to create different habitats. We talked about what it truly means to care for these habitats. Alongside this, we have created our very own list poems about the two sides of Earth. One celebrating the beauty and the other reflecting the changes.
