Make a Noise

Our inquiry focus has shifted into how we can use our voice to make a change and have been looking at the issue of climate justice. We have taken part in a project by Christian Aid to create pieces of artwork to show their feelings about it. We can't wait to see some of our artwork displayed in Llandaff Cathedral and the Houses of Parliament next month!

We also had the opportunity to share our learning with our grown ups. We loved seeing you all in school.

MPCT

Teamwork!

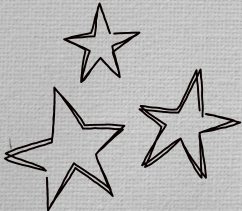

In literacy this month we have been looking at the book 'The Last Bear' an environmental novel linking to our work on climate justice in our inquiry.

Every Thursday we are joined by the incredible MPCT. So far this month we have focused on teamwork and leadership. Part of the time is spent discussing the qualities before putting it into practice in a practical PE session. We cant wait to continue these sessions until Christmas.

This month also saw our house captains organise an incredible Children in Need day. We wore our pyjamas and took part in lots of challenges, we even had a visit from the main man himself - Pudsey! We were challenged to Move, Make and Munch! Da iawn for organising such a special day!
