D Y F R I G

So, in a flash we find ourselves at the end of year five! It has been a very busy end to a very busy year. The weather conspired to push most of our big events into the last but one week of term, but the children did a wonderful job - not just competing in Sports' Day, but helping to set up, organise events and support the younger children. They also shone like absolute stars in Gladis Baker, Gladiator. We have some talented and enthusiastic actors on our hands and we are confident that they will do a great job leading the production next year in year six. Visiting the Hay Festival was also another successful experience.

In class we explored the text the Silence Seeker as part of Refugee Week, to understand the experiences of a refugee arriving in our country. We wrote diary entries from opposing perspectives. Our RVE focus for the Summer term has been the Kingdom of God and we have creatively explored important themes including the meaning of the hymn The Lord of the Dance. We thought about Kingdom Builders and to whom we would award a Nobel Peace Prize. We took the Lord's Prayer apart and considered what each part means, before rebuilding it using a range of creative skills.

We dived into the Parable of the Banquet, the case of the Tenants and we compared Jesus to a traditional Roman Leader. Through all these and more activities the children demonstrated curiosity, inquisitive minds and offered a variety of creative solutions.

We have been super proud of their achievements and the progress they have made this year. As a class they have made many memorable contributions to school life and we are certain that they will be fine ambassadors for the school in year six. Well done and have a fantastic summer. Llongyfarchiadau! Mrs L-J and Mr W
