What a wonderful way to start our school year in Dosbarth Dewi!

We have had such a busy and exciting start to the school year in Dosbarth Dewi, filled with curiosity, creativity and lots of smiles!

Through our 'Let's Celebrate' inquiry, we have explored a variety of celebrations, including Harvest and Diwali. The children loved learning our Harvest song, planting their own food and making a delicious Harvest smoothie. Their creativity shone as they danced, sculpted diya lamps and designed beautiful rangoli patterns. In Literacy, we brought stories to life through The Bear's Big Dreaming and The Tiger Who Came to Tea, with making our own jam sandwiches being a particular highlight!

In RVE, we explored creation and belonging, discovering the seven days of creation through art, music and play. Most importantly, we learnt that we are all part of the Dosbarth Dewi family and that God created our wonderful world for us to love and care for.

The highlight of our half term was our exciting trip to Fonmon Castle, where the children became 'celebration detectives', investigating whether the medieval feast they were experiencing was in fact a celebration.

We have been incredibly proud to see the children grow in confidence, develop friendships and embrace their new learning experiences. It has been a very special first half term, and we look forward to making many more happy memories together!
