Learning Blog

C A N N A

Croeso i blwg dysgu Dosbarth Canna! Ym mis Mawrth we have been super busy preparing for our iSingPop concert and were very excited to perform all of the lovely songs we had been learning in St Illtud's Church.

We have also taken part in the e-steddfod 2026, competing against different schools in Wales.

Llongyfarchiadau mawr to all of our competitors!

In Literacy, we have written scripts to retell the story 'Last Stop on Market Street,' taking on roles such as presenter, journalist, CJ and Nana. We really enjoyed recording our scripts on the school radio and listening to each others radio shows. In Maths, we have been learning about decimals, including how to write tenths and hundredths, as well as comparing and rounding them. More recently, we have been focusing on money and how to write different amounts.

In Inquiry, we had a lovely sharing afternoon where parents came to our gallery to see our wonderful artwork. It was lovely to get our parents involved in a bit of doodling, inspired by the artist Rhys Padarn Jones who visited us. Recently, we have started our new inquiry on darkness and light with a focus on Islam. We have enjoyed learning about the Night Journey and Prophet Muhammad, as well as exploring the different features of a mosque and understanding why it is important to Muslims.
