A busy December brought a successful and hard working term to a festive close with our wonderful Carol Service; thank you to all who attended. We concluded our Gospel inquiry, looking closely at the books of Matthew, Mark, Luke and John and comparing their stories and the parables Jesus told. We acted out the Good Samaritan as a puppet show, which led us to writing our own shows, including a Christmas themed samaritan tale. Year three loved watching the Twinkly Nativity and supporting our year two boys who had worked really hard and looked amazing! We hope you enjoyed too, you can catch it again in our Google Classroom.

We wrapped up our Inquiry with a super visit to the farm thanks to Molly's Mum where we learned so much about local food production and distribution.

As the term drew to a close we reflected on our learning so far this year by putting together our Digital Learning Journeys; these will be available to you early in the new year.

Christmas celebrations continued with our Christmas Jumper Day, the Candy Cane Olympics and other party games. We had a brilliant musical afternoon with Patrick where Samba and Christmas were combined to create beat, patterns, rhythm and lots of laughter.

Finally, we would like to wish you all a wonderful Christmas and a happy, healthy 2024. I have been so pleased to see the progress the children have made this term and I will be sorry to leave them, even if I am only moving next door. They will be in the very capable hands of Mrs Johnson - the children already know her well and I know she is looking forward to the start of the new term.

Diolch yn fawr, also, for the very kind end of term gifts; they are much appreciated.

Nadolig Llawen :-)
