

Advent Wreath

We were all babies!

Even Mrs Bugler and Miss Palmer were babies, just like Jesus.

Padarn December

Setting up the Nativity story.

What a very busy and exciting month we've had in Dosbarth Padarn. We started the month talking about advent. We learnt that advent means preparing for Christmas. We enjoyed creating our very own class Advent wreath together and we are so delighted, it is on our alter in the hall for our worship throughout Advent. We have also had a visit from our two Christian friends, Tom and Tessa. They have helped us learn all about Jesus and Christmas. Tom and Tessa brought us a special treasure box, inside we discovered baby photos and grown up photos. We were a bit puzzled at first but then realised they were photos of us when we were babies and when we were grown up. There were even photos of Mrs Bugler and Miss Palmer as babies! We also found photos of baby Jesus. We learnt that we are all babies, and then we all grow up.

Our nursery garden is now open!

The wise man brought gold.

Mrs Bugler read us a very special story of 'Baby Jesus' born on Christmas Day. We learnt that 'Baby Jesus' was born in a stable in Bethlehem. We took turns to set up our own nativity scene in our classroom. Baby Jesus is sleeping sweetly in a manger.

The highlight of our month was the grand opening of our nursery garden. We had so much fun showing our parents all our new equipment.

A huge thank you to all of you for providing such beautiful costumes for 'The Twinkly Nativity'.

Ding Dong went the chimes!

Exploring our new teepee!

They all shone so brightly. We were very proud of all of your wonderful children.

Nadolig Llawen Pawb!
