MY VOTE IS MY VOICE: OUR WONDERINGS

During this inquiry the children will have the opportunity to explore the history and current make up of the UK and Welsh Governments. We will take part in a workshop at the Welsh Senedd in Cardiff Bay, to allow us real life experience of being an MP. We will discuss how rules and laws are made and by who concluding with thinking about how we can share and listen to other people's beliefs to make a positive change in the world.

We will explore our wonderings, including:

- Who makes up the government?
- What is the role of the King in governing the country?
- Are all governments around the world the same?
- How old is the UK & Welsh Government?
- How has the Senedd changed over time?
- How are governments chosen and who makes sure they do what they say they will?
- Is everyone represented?
- How can I have my say?
