C A N N A

Croeso i blwg dysgu Dosbarth Canna! We all did amazingly well on Sports' Day and thoroughly enjoyed taking part in all the races, especially the tug of war. Everyone showed fantastic determination, teamwork and sportsmanship throughout the day. We also had a special visit from Patrick, who led a fantastic drumming workshop. Another highlight of the term was performing in our summer production.

Ardderchog, Dosbarth Canna – what a wonderful way to end the year!

In Literacy, we have enjoyed reading *The Journey* as part of Refugee Week. We explored this beautiful story about a family's journey to safety and developed our understanding of the experiences of refugees. Inspired by the story, we wrote our own postcards from the perspective of the mother, retelling the family's journey and expressing her thoughts and feelings. In Maths, we have moved on to Position and Direction. We have been learning about the x-axis and y-axis and how to describe positions on a 2D grid using coordinates.

We have brought our Science inquiry to an exciting end by making our very own scented bath bombs! Working together in groups, we carefully chose different fragrances before creating our products. We then had the opportunity to sell our bath bombs to the rest of the school, putting our teamwork and enterprise skills into practice. In RVE, we have been exploring the Kingdom of God and the impact of Pentecost. Through our learning, we have developed a deeper understanding of how the coming of the Holy Spirit inspired Jesus' followers to spread God's message.
