PADARN

What an amazing start to the new school year in Dosbarth Padarn !

We have settled happily into nursery, welcomed our new friends and explored our wonderful learning environment and garden.

During our RVE inquiry, we explored what it means to belong to God. We created beautiful self - portraits and flowers to represent God, which now hang proudly in our classroom as mobiles. We also learnt about how God created the world in six days and rested on the seventh , using lots of exciting resources to bring each day to life.

Our new inquiry, 'Marvellous Me', has helped us discover what makes us special and unique.We created our own faces, explored different skin-tone play dough and learnt about our feelings, bodies and families. We also worked together to create a class chart, discovering that we have 9 boys and 7 girls in Dosbarth Padarn ! One of our biggest highlights has been discovering what our bodies can do, especially enjoying an exciting running race on our big school field !

We have also been exploring autumn, spotting seasonal changes and learning about woodland animals. We loved learning and singing Mrs Bugler's beautiful autumn leaves song !

We are so proud of all the wonderful learning,friendships and happy memories we have made so far.

We wish you all a wonderful half-term holiday !
