

Learning Blog

P A D A R N

What a busy month we've had in Dosbarth Padarn !

We have continued our ' In the moment inquiry based learning ' - "Pwy sy'n byw yn yr ardd ? " We have explored different habitats:- ' I wonder who lives under stones,rocks and logs, leaves and flowers, on the grass and underground and on or near the pond ?' We've enjoyed learning different facts about some of the minibeasts that live in these habitats.

The highlight this week has been,celebrating and learning about our Welsh culture and ' Dydd Gwyl Dewi ' We started off with our home competition 'Cynefin ' to represent what 'Cynefin' means to us.

Mrs Bugler told us a story about 'Dewi Sant',who was our 'Patron Saint of Wales' .We learnt that he was born on a cliff top, near the sea in Saint David's,West Wales. We were very curious ,to learn that Mrs Bugler went to school in 'Saint David's', just like Dewi. We discovered all about Dewi,growing up in West Wales. We also listened to another story about 'Dilwyn the Welsh Dragon',which we really enjoyed .We were very creative and drew Dilwyn,using different resources - pencils,crayons,pastels etc.

We've created a leek ,using paint for our class competition.They look beautiful, hung up in our classroom.

We've been very busy in the mark making area,creating children in Welsh costume,daffodils,leeks, Welsh dragons etc.

We have shown creativity and imagination,while making daffodils and leeks. We talked about the colours and shapes and learnt that daffodils and leeks are a symbol of Wales and are linked to 'Saint David's Day' celebrations.We've created St David's cathedral,using lego and wooden blocks.

We've been busy in our play dough station,creating daffodils and leeks.

We ended the week all dressed up in Welsh costume, even Mrs Bugler, ready for our ' Eisteddfod ' . We enthusiastically sang our Welsh song- 'Heno,Heno' and were delighted to decorate biscuits with a ' Welsh Theme'.

Dydd Gwyl Dewi Hapus !
