

Our artwork

Our thoughts...

What a busy December we have had in Dosbarth Illtud!
This month, we had the incredible opportunity to attend Llandaff Cathedral as part of our inquiry to see our artwork for our 'taking action' as part of Christian Aid's 'Get Creative for Climate Justice' project. We took part in a workshop and wrote our thoughts for adults and those in charge of making change.

Music Workshop

We also took part in our final sessions with MPCT. We concluded our leadership & PE sessions with a camouflage lesson and an afternoon of team games. We can't thank MPCT enough for the leaderships skills they have taught us - we all thoroughly enjoyed!

Christmas Party

In maths this month Year 6 have been looking at different ways to solve fraction problems and year 5 have been looking at worded problems. In literacy we have looked at the story 'The Christmas Eve Tree', a beautiful picture book that looks at values surrounding Christmas for a homeless boy.

Our fantastic House Captains led the Carol Service for families and the community at the end of the term. As a class we enjoyed lots of festive themed games in our Christmas Party morning too, including decorate the Christmas tree! Nadolig Llawen & Blwyddyn Newydd da!
