

*Autumn Leaves*

*I am caring*

*Creating houses*

*Just how special God made me...*

What a busy and exciting month we have had in Dosbarth Padarn. Autumn has arrived and we were very excited to see that Mrs Bugler has changed our woodland seasons display in our entrance, to autumn. It was so colourful, we were really curious and inspired, and conversation flowed all about autumn. Mrs Bugler taught us a song, "Autumn Leaves are falling down...". We love singing together and learnt that at autumn time, the leaves change colour to red, yellow, orange and brown.

In the art studio we created autumn leaves using paint, and printed the leaves. We were very proud of our autumn tree. We also explored in our sensory autumn tuff spot. We used magnifying glasses to look carefully at the pumpkins, conkers, pinecones and autumn coloured leaves. We talked about all the different things we find in the autumn. We even created autumn creations with play dough and loose parts, we were very imaginative.

We have enjoyed mark making, looking carefully at the autumn leaves and drawing our own, choosing our favourite autumn colours.

Role Play has been very exciting and extremely busy, learning to make tea for two and also taking care of the babies.

We've also been very busy in the block area, working collaboratively together to build a police station. We've been busy constructing our own houses.

*Padarn  
October*

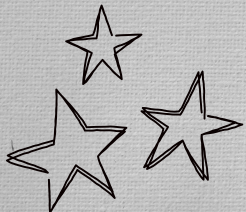

*Emergency Services*

*Dressing myself*

*What a shot!*

*Tea for two*

We have continued our inquiry 'Pwy ydw I?'. We have enjoyed learning more about ourselves and each other. We have learnt about our 'Christian Values' and talked about being kind, caring etc. We've even created our own mirrors 'I look in the mirror and what do I see? Just how special God made me!' We have decorated them from a choice of resources and are very proud of them, hanging up in our classroom.

We've learnt about the different parts of our bodies, naming them and we've also learnt about what we can do with our bodies outdoors. We learnt how our bodies move. We took turns to kick and throw a ball, balance, jump and we had a running race too. We had so much fun!

We have started to learn about our families. We have talked about who lives in our house with us. We created our house with lollipop sticks and have drawn a picture of our family. We've even created our own houses using magnetic squares, blocks and junk modelling.

What an amazing month we've had. We hope you all have a fabulous half term break!
