In Maths, our pupils have been diving into the world of data handling, mastering the art of creating pictograms and bar graphs. 🇮🇹

In Literacy, they've been channeling their inner poets, crafting beautiful kenning poems about animals and people that showcased their creativity and language skills. 🖋️

Our Jigsaw lessons introduced the exciting new topic 'Healthy Me,' where students enthusiastically set personal fitness targets, explored how our organs work, and learned valuable tips on keeping our bodies healthy. 🏃‍♂️

The busy month of March kicked off with our Eisteddfod, a fantastic day filled with lively competitions and incredible performances! 🇬🇸

As the month drew to a close, we wrapped up our inquiry project and had the pleasure of sharing our discoveries with Dosbarth Dwynwen. It was a delightful experience for everyone involved, creating a wonderful sense of community and collaboration.

Our class has been enthusiastically learning the violin this month! The grand finale was a heartwarming performance shared with our families. We were thrilled and pleasantly surprised to see such a big crowd supporting our young musicians. A huge thank you to all the families for their incredible support. The pupils absolutely loved their lessons and were overjoyed to showcase their newfound skills. 🎻

We Learn, We Play, We Care, We Pray.
