The children have been working diligently in their RVE lessons, exploring the concept of Incarnation and learning about Jesus' Baptism. They've been enthusiastic about understanding the significance of baptisms and how they symbolise new beginnings. It's been wonderful to see their curiosity and engagement as they dive into these important topics.

The class have also thoroughly enjoyed their PE lessons, focusing on a range of ball skills and team games. Their teamwork and enthusiasm have been fantastic to watch!

In Literacy, our class has been busy writing persuasive pieces after reading the book *The Santa Trap*. They thoroughly enjoyed these lessons and have shown great progression in their understanding of texts. In Maths, the children have been refining their problem-solving skills, with a particular focus on number skills. Their dedication and enthusiasm have been evident in both subjects.

I want to take a moment to celebrate the incredible hard work our Year 3 learners have shown all term. They have put in tremendous effort and now, it's time for them to enjoy a well-earned break!

I would also like to extend a thank you to all the families for your support and hard work at home. Your involvement has been vital in helping our pupils succeed. Wishing you all a Merry Christmas and a Happy New Year! May your holidays be filled with joy, relaxation, and wonderful moments with loved ones.

We Learn, We Play, We Care, We Pray.
