D W Y N W E N

February has been a short but very busy month in Dosbarth Dwynwen, packed with creativity, confidence and celebration.

In Maths, we have been learning all about money. We practised recognising and ordering coins, identifying notes, and adding different amounts together. Some of us have even started to calculate and give change, thinking carefully about the value of each coin. In English, we read *After the Fall*, the story of what happened to Humpty Dumpty after his famous tumble. We then wrote thoughtful diary entries from his point of view, making sure to include compound and complex sentences to improve our writing.

We ended the month by celebrating our wonderful Eisteddfod. We all took part in the handwriting competition, created beautiful artwork, and entered the home competitions, all inspired by the theme of belonging (cynefin). We also enjoyed wearing traditional Welsh costumes and celebrating Welsh culture together. It was a fantastic way to end the half term with pride in who we are and where we belong. On 10th February, we took part in Internet Safety Day and joined a special Hwb Live lesson. We learned about how to stay safe online, the importance of keeping personal information private.
