DWYNWEN

We have started our new RVE inquiry all about Authority and Influence with a focus on Judaism. We discussed what authority is and thought about who has authority over us. Then we considered the qualities of a good leader and worked as a team to use our diamond 9 core task to rank these in order of importance. We have been reading, sequencing and retelling the story of Moses as well as writing our own commandments.

In our PE lessons, we have been working on our throwing, catching and teamwork skills. We have been making sure we use an appropriate amount of power to throw the ball and keep our hands a sensible distance apart to help us catch it!

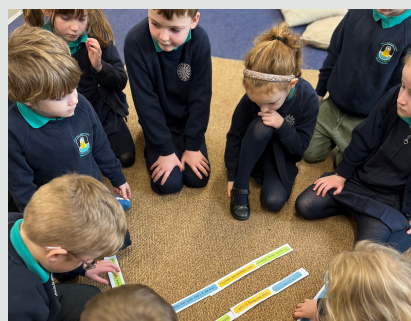

Dosbarth Dwynwen have thoroughly enjoyed the opportunity to share our learning with our families. Thank you all for being so encouraging in your questioning and praising of the children.

In literacy, we have been writing our poems for our Mothering Sunday cards. Year 2 worked hard to include lots of rhyming words and Year 1 wrote some lovely recipes for the perfect Mummy. We have also read 'My Friend the Weather Monster' and have focussed on describing his appearance, his home and explaining how we can help him in preparation for writing a biography about him. We have tried our best to include ambitious adjectives and sentences with relative clauses!

In maths, we have been learning about telling the time. We have been matching analogue and digital clocks as well as looking at telling the time to the nearest quarter of an hour. We have also been reminding ourselves about how our number bonds can help us to solve problems including larger numbers.

We Learn, We Play, We Care, We Pray.
