Make sure all our uniform is named.
Our PE day is WEDNESDAY.

ONCE UPON A TIME: OUR WONDERINGS

During this inquiry the children will hear a range of folklore tales from around the world. They will experience music, artwork and dance from different cultures and be given the opportunity to create their own stories, music and artwork.

We will explore our wonderings, including:

- Are stories told in the same way around the world?
- What types of stories are told in different countries?
- Do different communities and countries have their own traditional stories?
- Can we use music to help tell a story?
- Do actions and props help to tell a story?
- How can we use our voices to become good story tellers?
- How can we help others to become good story tellers?
